REGISTERING AT LAKE HAVASU HIGH SCHOOL

REGISTRATION

1) According to Arizona law, students must present an original birth certificate when registering for the first time. The school can assist parents in obtaining the certificate. If the birth certificate is not provided within a reasonable amount of time the student will not be allowed at school until the birth certificate is provided. 2) According to Arizona law, no student can be enrolled without proof of immunization. Registration packets are sent home in the spring for eighth grade and returning high school students. Parent approval of students' schedules is recommended. Parents who fill out the packets completely, including parent/student signatures where required, who return their packets by the deadline, and whose students have no obligations will have their students' schedules mailed home during the summer. For new students and for parents whose packets are not filled out correctly, registration days will be scheduled in July. Registration is completed through the Guidance Office and the Bookstore. If money is owed from the previous year, registration will not be allowed until this, or any other obligation, is cleared through the Bookstore or administration. Textbooks are issued later by the classroom teacher.

GUARDIANSHIP

Students may be enrolled while a guardianship is being established. A written statement from an attorney signifying that a guardianship is being actively pursued must be presented to the school.

TRANSFER GRADES (JFABC)

Academic credit for students who transfer from private or public schools shall be determined on a uniform and consistent basis. Each student who enrolls and requests the transfer of academic credits to fulfill graduation requirements shall be provided with a list specifying the courses for which credit has been accepted for graduation and those for which credit has been denied by the District. Transferred credit that satisfies any of the following criteria will be acceptable for fulfilling District graduation requirements:

- The credit was awarded by a school accredited by an accrediting agency, including but not limited to, the following accrediting agencies or colleges and schools: North Central Association, Southern Association, Middle States Association, New England Association, Northwestern Association, and Western Association.
- Students who wish to transfer credits from a non-accredited school, a private school, or a home school will be required to test out in order to have their credits count toward graduation. Credits transferred will be recorded as "CR" (credit) in lieu of a grade.
- Credits from an accredited charter school can be accepted and grades will be recorded as letter grades.
- Credits from students whose transcripts are in a language other than English will be accepted if the student provides a certified translation of the transcript into English. The translation can be made by an embassy, a consulate, or a professional translation service. A seal or official stamp from the translating body must be affixed to the new transcript. Credits will be recorded as "CR" (credit) in lieu of a grade.
- Awarding of the credit was based upon an assessment that included the standards adopted by the State Board of Education. The examination must be administered and evaluated by a teacher in the receiving school who is certified to teach the subject matter of the course for which the credit was requested.

When transfer credit is denied for a course, the student may request and take an examination designed and evaluated by a teacher in the receiving school who is certified to teach that subject matter. Upon receiving a satisfactory score as determined by the teacher, course credit will be awarded to fulfill the requirements for graduation. Students who "test out" of a class by taking

an exam MAY NOT receive a letter grade. Only a CREDIT or NO CREDIT will be applied towards graduation. All courses credited for graduation must meet the standards adopted by the State Board of Education where such standards exist. Where standards have not been adopted by the State Board of Education, courses credited for graduation must meet the standards established by the school to which the student has requested a transfer of credit.

STUDENT RECORDS

Student records contain confidential information relating to their progress through high school. These records are not to leave the designated area set aside for reviewing them. The school district is not obligated to furnish copies of records other than transcripts of grades. Student records are available under the following circumstances:

1. When they are used by the professional staff of the school district.
2. When requested by a State or Federal agency, as long as the records do not identify the student.
3. When requested by a parent or guardian upon confirmation of their identity.
4. When a student, eighteen years of age or older, requests his or her own records that are maintained by Lake Havasu High School.
5. When requested in writing by a court.
6. When requested by properly identified public health officials.
7. When a divorce or custodial agreement denies one parent access to students or to student records, a request can be filed with school officials before access shall be denied. Parents or guardians have the right to attach a written response to any item in the records when the accuracy of records is disputed.

TRANSCRIPTS: All requested transcripts will be mailed or faxed directly from school to school through the Registrar's office. A reasonable fee for extra copies of transcripts may be charged. The school district is not obligated to furnish copies of records other than transcript grades.

SPECIAL ENROLLMENT

Students needing more than four years to graduate may attend high school until they reach the age of twenty-two years. Their schedules must be approved by the principal.

MARRIED STUDENTS

The Governing Board extends the same rights, privileges and obligations to married students as it does to unmarried students. Married students must report their marriage to their guidance counselor so that the school records can be kept up-to-date.

TUITION

Tuition charges are established each year by the District Office and must be paid in advance by the month, semester, or full year to the Principal's Office. These charges should be made payable to Lake Havasu Unified School District #1. When payments are sixty (60) days overdue, the responsible adult will be notified by certified letter of the amount due. If payment is not received within ten (10) days of receipt of the letter, classes will be closed to the student. If necessary, the student may be removed as a trespasser.

WITHDRAWAL FROM SCHOOL

A student withdrawing from school must have written permission to do so from his or her parent or guardian. To withdraw, a student must obtain a withdrawal slip from the Guidance Office and present it to his/her teachers and to the various school offices before withdrawal is complete. By state law students must be withdrawn from school when they accumulate ten consecutive unexcused absences in all of their classes. A student may be withdrawn from school for non-payment of tuition and other fees. **Students no longer enrolled at the high school may not be on campus. Trespassing charges will be filed with the police department.**

HOMELESS STUDENTS

Each local education agency liaison for homeless children and youths shall ensure that

- (iv) the parents or guardians of homeless children and youths are informed of the educational and related opportunities available to their children and are provided with meaningful opportunities to participate in the education of their children;
- (v) public notice of the educational rights of homeless children and youths is disseminated where such children and youths receive services under this Act, such as schools, family shelters, and soup kitchens.

ACADEMICS

GRADUATION REQUIREMENTS

Listed below are the credits required by the Board of Education for a student to graduate from Lake Havasu High School.

Subject	Credits Needed	Year Taken
English	4.0	
Free Enterprise	0.5	12 th
Science	2.0* (3)	
Physical Education	1.0	9 th
Mathematics	3.0* (4)	
Vocational/Fine Arts	1.0	
World History/Geography	1.0	10 th
U.S. History/Arizona History	1.0	11 th
Civics/AZ. Government	0.5	12 th
<u>Electives</u>	<u>8.0* (7)</u>	
Credits total	22.0 (23.0)	

***Beginning with the Class of 2013 the state of Arizona has increased the number of credits needed in math and science. To see the new requirements, look at the number in parentheses in the chart above. The Class of 2013 will need 23 credits in order to graduate. The Classes of 2010, 2011, and 2012 will need 22 credits.**

AIMS/GRADUATION REQUIREMENTS

In addition to the 22(23.0) credits mentioned above, the state of Arizona requires students to pass three AIMS tests (Arizona Instrument to Measure Standards) – reading, writing, and math – in order to receive a diploma. The tests are administered for the first time during the sophomore year. A student who does not pass any one of the three tests during the sophomore year will have four more opportunities to pass the tests before the end of the senior year. Sophomores must also take an AIMS science test, but at this time it is not required for graduation.

All credits, including passing AIMS testing, must be satisfactorily completed before a senior can participate in graduation exercises and receive a diploma.

AIMS – FAILURE TO PASS AIMS BY GRADUATION: AN ALTERNATIVE WAY TO GRADUATE

The Arizona state legislature allows an alternative method of graduating for the student who has fulfilled all other requirements for graduation but who cannot pass all three AIMS tests. The provision is referred to as “AIMS Augmentation.” In order to have a senior’s AIMS score augmented, the senior must have taken the AIMS tests every time offered AND have been enrolled in a school-sponsored tutoring program. If he/she has done so, points are assigned for each A, B, and C in certain core classes. The points are put into a formula and added to the

student is allowed to take the final. A doctor's excuse, an obituary notice, etc. will be accepted. Students who do not take their finals at the scheduled time will not be considered for Honor Roll recognition in the newspaper. Teachers are not expected to give finals in advance of the designated time or to give full credit for such examinations ahead of time. Students leaving before the end of the school year without taking finals do so at their own risk as far as credit is concerned. The final counts 20% of the semester grade.

REPEATING A CLASS: Students have the option of repeating any class in which they receive a "D" or "F." The student has a year in which to improve a "D." Credit will be given for the highest grade achieved. Double credit for the same class will not be given. Performance-based classes may be repeated for credit but not for an improved grade.

TUTORING: Tutoring is done by teachers before or after school. Private tutoring can be arranged through the Career Center. Students who do not pass an AIMS test may speak to Mrs. Miner about free tutoring opportunities.

PROGRESS REPORTS: It is Lake Havasu High School's policy to inform parents by means of a progress report when their student is doing unsatisfactory work in any class. PowerSchool allows parents to go online at any time to check individual grades, missing assignments, attendance, and tardies. Parents may contact teachers through an email link on PowerSchool and are also asked to notify Guidance if their e-mail addresses change. Parents who do not have access to PowerSchool may receive reports by having students obtain weekly progress reports from their teachers. Weekly progress report forms are available in the guidance office. Paper progress reports are sent home with students three times a semester. Students and parents are encouraged to request conferences with a counselor or teacher when the need arises. Parents may discuss any concerns/problems they or their children may be having in school by contacting the appropriate school staff member. In most situations parents are asked to start with the teacher.

POWERSCHOOL Parent/Student Portal:

The parent portal provides real-time access to students' current grades and attendance through the internet. It also provides e-mail notification set up, access to class notes, teacher's e-mail address and the Bulletin, which contains important daily information. Students may also have access through a student portal. However, changes/additions to e-mail notifications are restricted to parents.

REPORT CARDS: 1st semester report cards will be distributed the week students return from Christmas break and the 2nd semester report cards will be mailed home approximately 1-2 weeks after school has concluded. Students who owe obligations will not be given report cards until the obligations are satisfied. Please check with the Bookstore if your student has an obligation.

PERFECT ATTENDANCE: Perfect attendance is awarded to the student who has not missed one period, excused or unexcused, during the four years of high school. School-related activities such as field trips or sports competitions do not count against perfect attendance.

STUDENT OBLIGATIONS: Students are required to fulfill all obligations, disciplinary or financial, in order to receive their report cards. Seniors must meet their obligations prior to graduation in order to receive their diplomas. If a student withdraws from school after receiving notice of possible action concerning discipline, expulsion or suspension, the Governing Board and school officials may continue with such action in the student's permanent file. If the student wishes to re-enroll, the obligations still owed must be met first.

CITIZENSHIP/WORK HABITS GRADE: It is a school district responsibility to assist parents in helping students develop acceptable attitudes and behaviors in preparation for adult citizenship and functioning in the work place and higher educations. Students will receive from each classroom teacher a citizenship/work habits grade which will be shown on their report card. This grade is based on citizenship and appropriate work habits displayed in each classroom. Students will receive a grade of “S”, which is SATISFACTORY, for meeting all 4 criteria below; “N”, which is NEEDS IMPROVEMENT for meeting 3 criteria below; or “U” for UNSATISFACTORY if meeting two or fewer criteria. Students who have more than two UNSATISFACTORY grades MAY NOT participate in any extra-curricular or co-curricular activities during the following semester. This applies to the ability to participate the following semester of the new school year if the student received the two or more unsatisfactory grades the spring semester. This includes field trips, band, athletics, athletic events (home and away), drama, assemblies, dances, student government, and all other school-sponsored activities. A student who is referred to administration by a teacher and who is then written up for disrespect, non-compliance, insubordination, or disruption in class may be given a “U” by that teacher.

CRITERIA FOR CITIZENSHIP/WORK HABITS GRADE

1. Attends school regularly and is seldom tardy – no more than eight absences or tardies per semester.
2. A student who is referred to administration by a teacher and who is then written up for disrespect, non-compliance, insubordination, or disruption in class may be given a “U” by that teacher.
3. Respects school property and observes classroom rules consistently.
4. Works diligently and uses time effectively – turns assignments in on time.
5. Displays courtesy and shows respect – complies with guidelines of the school handbook.
6. A student who is referred to administration by a teacher and who is then written up for disrespect, non-compliance, insubordination, or disruption in class will be given a “U” by that teacher.
7. Knight Time students will be given a citizenship grade. (Knight Time is a student advisory period.)

TEACHER AIDE CREDIT: Students may earn a maximum of 1 credit during their high school years as a student or teacher aide. Placement as an aide requires a 2.0 GPA for the previous semester, passing ALL citizenship grades the previous semester, no more than 8 absences (excused or unexcused) the previous semester, and no more than one or two minor discipline referrals the previous semester. Students must maintain the same standards during the semesters that they serve as TA’s. Seniors who take only 4 classes and one of those is as a TA will not qualify for Honor Roll. Refer to the Course Description Handbook for a full listing of qualifications.

CORRESPONDENCE CLASSES: Students must complete any correspondence or distance learning courses in time for credits to be posted. For seniors, any credits needed from correspondence classes, on-line learning, or community college courses must be received in the guidance office by the last day of senior final exam week in order for a senior to participate in graduation ceremonies. The responsibility for timely completion of correspondence courses and the delivery of final grades to the Lake Havasu High School Guidance Department rests with the student and his/her parents or guardian. Students are limited to criteria as described in Arizona Administrative Code R7-2-302.

ONLINE OR DISTANCE LEARNING: Lake Havasu Unified School District #1 offers accredited high school classes through the internet. These classes are for the student who wants to get ahead, who needs credit recovery, who enrolls late in the semester, or who would like to learn something new. Seniors who plan to participate in graduation ceremonies in the spring must be registered by January 31 in order to have classes completed in a timely manner.

Information about this program can be accessed at www.havasuonline.com or by speaking to your high school counselor.

COLLEGE CLASSES TAKEN FOR HIGH SCHOOL CREDIT: Graduation requirements established by the Lake Havasu Unified School District #1 Governing Board may be met by a student who successfully completes the required courses or electives at a community college or university. To receive credit at Lake Havasu High School courses taken must be 100 level courses or higher, must be at least 3 credit hours, and must be approved by the Guidance staff prior to enrollment in the course. Students who take these courses do not receive a grade on their high school transcript; instead they receive a "CR" for credit. However, students who take a dual enrollment class at Lake Havasu High School will receive a grade rather than a CR.

ADVANCED CLASSES: Advanced classes at Lake Havasu High School are categorized as dual enrollment (DE), honors (H) and advanced placement (AP) courses, all of which are accelerated courses. Check the current course catalogue for available advanced courses. Dual enrollment classes are Mohave Community College classes that are taught during the high school day by a high school instructor to juniors and seniors. Both tuition and textbooks are free to dual enrollment students. Students receive both high school credit and college credit from MCC, and may also be able to transfer the class to another college or university, thus saving both time and money after graduation from high school. In order to take these classes juniors must take MCC's Compass test during the sophomore year. Students who do not take the Compass test at the high school may call Mohave Community College to schedule a time for the test. The deadline for providing the test results to Guidance is May 1 of the sophomore year. Juniors who did not take the Compass test their sophomore year but who wish to take a dual enrollment class during their senior year may do so by following the same procedure. A student who takes a dual enrollment class at the high school will receive a grade on both the high school and college transcripts. This grade may have an effect on the student's cumulative high school GPA.

WEIGHTED GRADES: Grades earned in advanced classes are weighted when the student earns a C or above. At the end of each semester the weighted (advanced) GPA and ranking are recalculated by multiplying the cumulative number of advanced classes by .035 and then adding the result to the student's unweighted GPA.

HONOR ROLL

Both the Principal's Honor Roll and Regular Honor Roll are calculated based on unweighted grades. Freshman, sophomores and juniors must be enrolled in five academic classes to be eligible for the Honor Roll. Seniors must be enrolled in four academic classes. All classes are considered academic except Teacher Aides, Study Hall and DCE Work 1 and 2 (off campus work experience)."

Principal's Honor Roll: A student must have a grade point average of "A" (4.0).

Regular Honor Roll: A student must have a grade point average of at least "B" (3.0). Only one grade of "C" (2.0) may be averaged in. Students with only four academic classes may not have a grade "C" averaged in. A grade of "D," "F," or "INC" automatically excludes a student from Honor Roll.

NATIONAL HONOR SOCIETY

Founded in 1921, the National Honor Society has established a reputation for excellence among administrators, faculty, students, parents and residents of the business and academic community and is considered by many to be the highest honor bestowed upon high school students. To be eligible for NHS, a student must have a cumulative grade point average of 3.40 or higher and must demonstrate exemplary character, leadership, and involvement with service and co-curricular activities. Students are selected from the sophomore, junior and senior classes each year.

EARLY GRADUATION

The Board will authorize early high school completion in order to meet career goals for selected students. Students desiring early graduation must submit a written request to the high school principal during the first half of the semester preceding the semester of desired completion. The principal may accept requests after this date in special circumstances. The request must contain the reasons for the request and the written approval of the student's parents or guardian. All graduation requirements must be met by the early completion date.

The Superintendent will establish procedures to evaluate each request and will ensure that the parents or guardian are informed of any restrictions or limitations to be placed on the student in the event the request is approved, including restrictions on co-curricular activities.

Diplomas normally will be awarded only at the completion of the spring semester. However, final transcripts will be provided as soon as the high school requirements have been met.

The District shall notify the Arizona Department of Education and the Commission of Postsecondary Education when a student graduates at least one(1) year before the student's scheduled graduation date.

EXTRACURRICULAR/CO-CURRICULAR PARTICIPATION

Lake Havasu High School, in the past, has offered valid and invigorating extra-curricular and co-curricular programs fully supported by its faculty and staff. These enriching and stimulating experiences can provide additional educational opportunities during the high school years. Students are expected to adhere to the following policies for these activities:

1. When a student is absent from school anytime during the day, regardless of the reason, the student will not be allowed to participate in any extra-curricular/athletic function the evening or night of the day of the absence.
2. Participation in weeknight games is not an excuse for an absence the following day.
3. A student must pass all classes each week. Failure to achieve a cumulative passing grade in all classes will result in the student's not being allowed to participate in

- competition the following week. Students who are failing classes may not compete in activities in which a championship ranking or rating is involved.
4. Eligibility will be determined each Friday by the athletic director or his designee.
 5. Notices listing ineligible students will be given to sponsors of activities by Friday of the week before the activity. Such students will be ineligible to compete or participate Monday – Saturday following publication of Friday’s list. Students and parents will be notified by the high school administration of ineligibility.
 6. Students who are on suspension of any type and/or who have more than two UNSATISFACTORY citizenship grades at the semester may not participate or compete in athletic activities or any other co- or extra-curricular activities the following semester. This includes citizenship grades from the prior year’s second semester being applied to the following year’s first semester.

ATHLETIC ACTIVITY CARDS

These may be purchased for \$25.00 at the time of registration. This is a one-time fee for admission to all athletic events for the school year (excluding any regional and state tournaments). Because this is an admission ticket it must be repurchased if lost.

OBLIGATIONS AND ACTIVITIES

Students who have financial or disciplinary obligations will not be allowed to attend extra or co-curricular activities until they have cleared their obligations. Students who have 6 or more hours of detention, who are serving in-school suspension, or out-of-school suspension or who have failed their citizenship grade (pages 14-15) may not attend or participate in any co- or extra-curricular activities sponsored by Lake Havasu High School until they have completed serving their suspension or hours. Extra-curricular activities are interpreted as the following: athletic events, home or away, practicing, participating and traveling with any athletic team, non-graded class activities such as band, choir, drama and club/class sponsored competitions, assemblies, pep assemblies, dances etc. Students will be given an alternate assignment for co-curricular activities that have a grade assigned to the activity. Failure to comply with this policy will be considered insubordination. Students who are on out-of-school suspension or who no longer attend the high school may not be on campus without administrative approval. This includes dances, games, etc. Students who come on campus without permission may be cited for trespassing.

He or she will not be allowed to attend another dance sponsored by the school for the remainder of the school year, and the student responsible for the removed guest will not be issued another guest pass.

There will be no admittance to the dance one hour after the dance begins. For example, if the dance begins at 8:00 p.m., students have until 9:00 p.m. to enter. Students are required to go to designated areas, with their instructor, so they can be accounted for. Setting off false fire alarm is illegal and extremely dangerous. The school administration will file legal charges against any student caught setting off a false alarm, have that person arrested, and take appropriate administrative action including, but not limited to, suspension. In addition to fire drills, monthly practices of crisis situations, such as lockdowns and evacuations, can be expected.

HOMECOMING

Aside from the game, homecoming includes many other festivities: floats, pep rallies, crazy competitions and homecoming flowers are all a part of this gala affair. A King and Queen are selected from the senior class to reign over the homecoming dance, which winds up the week.

PROM

Prom is an annual formal dance sponsored by the junior class in order to honor the graduating seniors.

ATTENDANCE POLICY

Regular attendance is basic to success in high school. Parents and students are expected to work with the school so that students regularly attend their classes. Arizona law requires parents and guardians to ensure that their minor children between age six(6) and sixteen(16) attend full time while school is in session unless legally excused pursuant to ARS§15-802 or §15-803.

ARRIVING ON CAMPUS AND LEAVING CAMPUS

Students are to come directly to campus at the beginning of the school day. They are not to loiter off school grounds or go to the wash. Once on school grounds, a student may not leave campus without permission and without signing out in the attendance office. This applies from the time of arrival at school until school is dismissed. One reason for this is that the school has a considerable responsibility to know where students are at all times during the school day. Students should sign out during the school day only in cases of emergency. The school district, per Arizona statute, is responsible for students on the way to school and on the way home. Therefore, school rules are in effect at such times. For that reason, fights that break out off school property but on the way to or from school will be treated the same as if the fights had occurred at school.

When it is necessary for a student to leave campus during the school day, he/she must have written or verbal permission from the parent, guardian, or a person designated by the parent. A student should never leave school for any reason without signing out in the attendance office. A student who becomes ill during the school day should obtain a pass from his or her teacher to see the nurse.

If the nurse and administration determine there is an appropriate reason, parents or guardians will be called to pick up the student. Students who become ill should not remain in the restroom for an entire class period without reporting to the nurse or office. If it is necessary to go home, they still must sign out in the attendance office.

EXCUSED ABSENCES

Absences are excused for these reasons:

1. Personal illness, verified by a parent or guardian.
2. Serious illness of a family member.
3. Chronic illness, with written verification by a physician.
4. Prolonged illness (more than 8 days) with written verification by a physician.
5. Bereavement.
6. Appointments with medical doctors or dentists that can not be scheduled after school.
7. Court appointments and other legal obligations that can not be scheduled after school.
8. Out of school suspension, except when issued for not serving detentions
9. Participation in a school-sanctioned event.
10. Prearranged absences verified in advance by parent or guardian.

UNEXCUSED ABSENCES (DITCHING)

Unexcused absences are also referred to as “ditches” and do not fall into the same category as excused absences. These might include failure to bring a parental excuse note, truancy, leaving school without authorization, and being absent when not approved by a parent/guardian or authorized by an administrator.

REPORTING ABSENCES

A parent or guardian must notify the attendance office by phone or in writing on the day of the absence. Absences will not be excused after 24 hours.

RETURNING TO SCHOOL AFTER AN ABSENCE

When a student returns to school after an absence, the following must occur on that day:

1. The student must report to the attendance office before school.
2. The student must bring a written statement from his or her parent or guardian explaining the reason for the absence.
3. A student will not be officially admitted back into school until the above occurs.
4. A student who was absent during school time because of an appointment with a professional or institution, such as a medical doctor, dentist, court of law, etc. will present a note from the professional or institution involved verifying the student's presence at the appointment.
5. A student is allowed one day for each day of absence to complete his/her make-up work. A grade of zero "0" will be given for work not completed on time.

CONSEQUENCES OF EXCESSIVE ABSENCES

1. A student who has accumulated (8) or more absences in a class, excused and/or unexcused, may be dropped from that class and lose credit. (See appeals process below.)
A student who has been removed from classes by this process to the extent that his/her daily class load is less than four classes may be recommended for long-term suspension or expulsion.
2. If the 8 or more absences are excused, the student may continue in the class at the discretion of the teacher, but upon the 9th absence the grade may be reduced by a letter grade at the semester.
3. A student who is dropped from a class because of excessive absences may ask to audit the class for the remainder of the semester. If that student is disruptive, he/she will be removed from class and placed in study hall.
4. Students who are absent from school for 10 consecutive days during a semester without an excuse will be withdrawn from school (ARS 15:901 A2)
5. Students who are determined truant as defined by School Board policy JEDA and state law ARS 15-803 may be cited by the police department.

Students who lose credit upon the occurrence of the 8th absence have an appeals process. In extenuating circumstances, with appropriate documentation, individual exceptions to the above regulation may be made. Extenuating circumstances may include, but are not necessarily limited to, hospitalization, extended illnesses, or repeated medical appointments. To appeal loss of credit, a form can be picked up from the Assistant Principal in charge of attendance. Students have 2 school days to fill out the form and return it to the Assistant Principal in charge of attendance, who is the first step in the appeals process. If the appeal is denied, it can be appealed to the Attendance Committee. The Attendance Committee will consist of another Assistant Principal, a teacher, a counselor and two students from student government.

NOTIFICATION OF ABSENCES

Parents and guardians will be notified by mail when a student accumulates a fifth and eighth absence in a semester.

TARDINESS

First class of the day: A student not in his/her assigned seat when the tardy bell rings is considered tardy. A student who is tardy to his/her first class of the day must report directly to the attendance office and not go directly to class. - 3rd and 4th Tardy: 1 hour detention
- 5th Tardy: 5 hours detention
- 6th Tardy: 1 day of In School Suspension

Message from the Arizona Attorney General, Terry Goddard (Goddard)

The Internet can be a terrific tool, providing access to a wealth of information and interactive learning experiences. But the Internet can also be dangerous. While social networking sites such as MySpace, Facebook, and Internet chat rooms allow young people to stay in touch, plan events and get the latest gossip, they can also lead to trouble. Many teens use these sites to post pictures and personal information. They use blogs as their personal diaries which the world can see.

Unfortunately, sexual predators are lurking on the Internet. Even the smartest students may not realize that everyone with Internet access, including predators, can see the pictures and personal information they post and use them for sinister purposes.

Cyberbullying is another hazard on social networking sites. Kids no longer need muscles to bully and torment their peers. Some young people use Web sites, cell phones, instant messaging, chat rooms, blogs and other cyberspace options to harass, threaten and ridicule. What may start as a joke, once launched into cyberspace, can be very serious. The impact on the victim can be devastating and even tragic. The bully may have committed a crime, exposed their parents to liability and/or damaged their own prospects for college or a job.

As parents, we must strengthen our efforts to shield our children from the dangerous side of the Internet. There are many things parents can do to protect their children and reduce online risks. I urge you to review both sections of the Internet Safety Guide for Parents booklet (http://www.havasu.k12.az.us/pdf/InternetSafety_ParentsWeb.pdf) and use it as a starting point to talk with your child about the Internet. Half is targeted to teens but may be appropriate for younger children as well. Please also visit www.azag.gov and my MySpace page at www.myspace.com/arizonaag for updated tips or to ask me a question about Internet safety. I am confident we can make online experiences safer and more productive. Be sure your teens "Surf Safe, Surf Smart"!

PERSONAL ITEMS AT SCHOOL (See Third Class Offenses)

The school is not responsible for money or personal items which are lost by students. Students are advised to bring only enough money to cover lunch expenses. Radios, recorders, pagers, portable music devices, cellular phones, laptop computers, PDA's, and other electronic devices are not permitted on campus. Sunglasses may not be worn in the classroom or in the halls. Laser pointers are prohibited. Cell phones, or other personal items which are confiscated, will be returned only at the end of the day to parents.

CELL PHONES (See Third Class Offenses)

Cell phones will be allowed at school for the convenience of parents and students. Students may carry cell phones in their backpacks, their purses, and on their persons, BUT they must be turned off and they must not be visible. When staff members ask students for their cell phones, refusal to turn the cell phone over may be treated as insubordination. Cell phones must not be in use once a student has arrived on campus. After 2:50 cell phones can be used once students are outside the buildings. Seniors and others who get out of school before 2:55 must wait until they are in their cars or are picked up in order to use their cell phones. Cell phones used inappropriately will be confiscated and returned to parents at the end of the day. If there is a second offense for a cell phone, the student must bring his/her cell phone to the office at the beginning of each day and pick it up at the end of the day.

HAZING (See First Class Offenses)

There shall be no hazing, solicitation to engage in hazing, or aiding and abetting another who is engaged in hazing of any person enrolled, accepted for or promoted to enrollment, or intending to enroll or be promoted to District schools within twelve (12) calendar months. For purposes of this policy a person as specified above shall be considered a "student" until graduation, transfer, promotion or withdrawal from the District school.

Definitions

"Hazing" means any intentional, knowing or reckless act committed by a student, whether individually or in concert with other persons, against another student and in which both of the following apply:

- The act was committed in connection with an initiation into, an affiliation with or the maintenance of membership in any organization that is affiliated with an educational institution.
- The act contributes to a substantial risk of potential physical injury, mental harm or degradation or causes physical injury, mental harm or personal degradation.

Students and others are to report hazing to any teacher, counselor, or administrator.

SEXUAL HARASSMENT (See First Class Offenses)

Students are expected to conduct themselves at all times so as to provide an atmosphere free from sexual harassment. Sexual harassment consists of unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature. Sexual harassment can be charged as a federal hate crime. Sexual harassment may include, but is not limited to:

1. Assault, inappropriate touching, intentionally impeding movement, or continuing comments, gestures, or written communications of a suggestive, coercive, offensive or derogatory nature.
2. Continued expression of sexual interest after being informed that the interest is unwelcome. (Reciprocal attraction between peers is not considered sexual harassment).

A substantiated charge against a student shall subject that student to disciplinary action, which will include suspension or expulsion and possible police involvement. Anyone who is subjected to sexual harassment should inform the principal immediately so that it can be stopped.

SHOW OF AFFECTION (Fourth Class Offense)

Public schools are not appropriate places for hugging, kissing, and other forms of displaying affection. Continuous abuse of this rule may result in severe disciplinary action.

DRESS CODE/PERSONAL APPEARANCE (See Third Class and Fourth Class Offenses)

It is the philosophy of the Lake Havasu Unified School District #1 Governing Board that student appearance, dress and conduct reflect the individual school and the school district. Dress should be clean, neat and appropriate in material and style for a businesslike educational atmosphere. Attire that is distracting, disruptive, or derogatory interferes with the orderly operation of the school (POLICY JFCA). The Board has approved standardized shirts available in several colors. Standardized wear is available for purchase only at the high school:

LHHS standardized apparel **REQUIRED** for the 2009-10 school year:

- Short-Sleeved T-Shirts
- Short-Sleeved Polo Shirts
- Standardized winter outerwear
- Approved 2009-10 LHHS club shirts (may be worn any day of the week).
Once a student is no longer active in a club, he/she may not continue to wear the club shirt.
- Approved LHHS 2009-10 athlete club shirts (may be worn any day during the athlete's season).
- LHHS letter jackets can be worn by athlete owner when weather turns cold.

During the cold weather season student are required to wear standardized outerwear. Students who do not want to purchase the long-sleeved shirt or winter sweat jacket may layer inner shirts under the **REQUIRED** standardized shirt to keep warm. Standardized shirts must be worn under standardized outerwear.

Dress code violations will be given to any student who does not wear APPROVED OUTERWEAR. Students are expected to wear the approved clothing when they enter the campus each morning **and until 4:00 p.m.** The standardized LHHS logo **MUST** be visible **AT ALL TIMES** on any outerwear except LHHS letter jackets, SkillsUSA professional day clothing, and Renaissance shirts.

FAILURE TO WEAR STANDARDIZED SHIRT: (See Third Class Offense)

1. First offense - student will be given a dress code violation shirt to wear for the remainder of the day and receive 6 hours detention.
2. If student refuses to wear the dress code violation shirt, he/she will be sent home (unexcused absence) and written up for non-compliance.
3. Second offense – will be considered insubordination, which results in 5-9 days of Out of School Suspension.

MODESTY IS THE KEY

1. Shoes (no slippers) must be worn at all times. This is state law.
2. All attire should be clean and neat in materials and styles appropriate for an educational environment.
3. Hair must be clean and neatly groomed and not present a health or safety hazard to anyone in the school.
4. Students who must borrow a loaner shirt from the bookstore will be required to bring the loaner shirt back the following day or be charged \$5.

In the interest of campus security and student safety, the administration reserves the right to ban any item that may be gang-related or suggestive. Wearing "gang-related" attire, such as oversized shirts that almost reach the knees or wearing gang-associated colors IS NOT PERMITTED and will be considered a First Class Offense. Shirts may be no longer than the bottom of the hips. Rubber bands used to hold up pants legs are associated with gangs and are not permitted.

UNACCEPTABLE DRESS (See Fourth Class Offense)

1. The standardized shirt must be long enough to cover the midriff, navel, stomach and underwear when worn with low-rider pants or skirts. Shorts and skirts must be long enough so that when bending, no cheeks are showing. Students are responsible for checking in the mirror before coming to school.
2. On fun days, such as Spirit Week, clothing that exposes the midriff or cleavage, as well as tank tops, strapless tops, backless tops, tube tops, beachwear, muscle shirts, shirts with deep cut-outs under the arms, see-through clothing, pajama bottoms or pajama look-alikes, and any clothing that reveals undergarments (even while wearing overalls) is not allowed.
3. Caps, hats or head coverings, including but not limited to bandanas and hair nets, are not permitted on campus between 6:30 a.m. and 4:00 p.m.
4. Cut, torn, ripped clothing, or unhemmed cutoffs or pants are not permitted.
5. Clothes, jewelry, or accessories, such as belt buckles made to look like fake knives, bullets, etc. or bearing phrases or slogans which are sexually suggestive, show nudity, promote use of drugs/alcohol/tobacco/ pornographic material/offensive or vulgar language (or are suggestive), or contain racial or ethnic slurs or other inappropriate references are not allowed.
6. Inappropriate tattoos may not be exposed.
7. Chains, including wallet chains, studded dog collars or clothing adorned with safety pins are not permitted.
8. Shorts and skirts should be of modest length to be school appropriate.
9. No metal-toed shoes and boots
10. No altering of standardized wear, including coloring, writing on or cutting shirts or jackets in any way; nothing may be added, attached or affixed to standardized wear
11. Students who violate the above rules and then wear a sweater, jacket, etc. to cover up the violation will be referred.
12. Pants or shorts may not be worn so low that underwear can be seen.

Any attire or adornment, including hair styles, cosmetics, and body piercing, which distracts from or disrupts the learning environment, is a dress code violation.

DUE PROCESS

All students are entitled to due process, which means there are certain procedures which school officials must follow prior to taking appropriate disciplinary action. There are also procedures which students must follow if they do not agree with the school's actions. If students become involved in situations which could result in suspension or expulsion, both the student and parent or guardian will be given a more detailed description of the due process procedure. (Board Policy JGD/JGE/JFA). The following summary will acquaint students and parents with the procedure:

1. The school principal has the right to suspend a student for a period of up to nine days. In cases of this type, an informal conference will be conducted which includes the principal, student and any other appropriate person. If after the conference is completed the principal decides that a suspension is necessary, it will become effective immediately. The principal will notify parents or guardians of the action taken.

2. The school principal has the right to recommend to the district superintendent that a student be suspended for longer than nine days or be expelled from school. In cases of this type, a hearing will be conducted before the Governing Board or Hearing Officer.
3. In all cases, except for suspension, the student will remain in school until all appeal opportunities have been exhausted or the parents agree to the school district's action.
4. If a student has violated a school rule and is subject to a suspension or expulsion, both the student and parent will be formally notified. Part of the notification process will include instructions regarding the Due Process Procedure.
5. The student may be represented only by an attorney at a hearing before the Governing Board. In hearings before the Governing Board, a student may present witnesses and cross examination of witnesses is permitted.
6. A student who has received disciplinary action and is barred from activities will not be allowed to participate in those activities until the matter is resolved or the disciplinary action is completed.

INTERROGATIONS

The school has legal custody of students during the school day and during approved extracurricular activities and acts as the parent in the parent's absence. It is the responsibility of the school administration to make an effort to protect each student's rights with respect to interrogations by a law enforcement official. When a student is interrogated during school time by a police officer, a school administrator will be present during these interviews. When a student is taken into custody (arrested), the arresting officer shall be requested to notify the student's parent or guardian. The arresting officer will be asked to complete and sign a "Form for Signature of Arresting Officer." Personnel of the school district shall cooperate fully with the police. When the arrest is formally made, the school district and its employees no longer exercise jurisdiction over the student.

SEARCH AND SEIZURE

Students have the right of privacy of person and freedom from unreasonable search and seizure of property as guaranteed by the Fourth Amendment of the Constitution. This right, however, is balanced by the school's responsibility to protect the health, safety, and welfare of all students. School administrators may conduct searches when they have reason to suspect that the health, safety or welfare of students may be in danger. In cooperation with law enforcement, canine searches will be conducted. Any administrator making a search or a seizure will follow these guidelines:

1. Illegal items (firearms, explosive devices, other weapons, drugs) or other possessions reasonably determined to be a threat to the safety, security of other, or might possibly interfere with school purposes may be seized by school employees.
2. Items which may be used to disrupt or interfere with the educational process can be temporarily removed from a student's possession.
3. A student's person may be searched by the administrator or his or her designee when there is reasonable cause to believe that the student has on his or her person illegal items or other items that may interfere with school purposes. This search shall take place in the presence of a witness. At all times a student search will be carried out by an administrator or designee of the same sex as the student being searched.
4. The school maintains ownership of student lockers. The school may and will search lockers periodically to protect the health, safety, and welfare of all students.
5. Motor vehicles parked on school property may be searched by school administrators when there is reasonable cause to believe the health, safety, or welfare of students might be in

jeopardy. Student vehicles must be registered with the office and parked on school property.

SELF DEFENSE

School personnel may use that force which is necessary to protect themselves, others, or school property. Arizona laws ARS §15-507, §13-1204 make it illegal to insult, abuse or assault a teacher or other school employee while they are engaged in the execution of any official duties. The penalty for violation of this law can range from a \$500.00 fine to imprisonment.

JURISDICTION OF THE SCHOOL

Students are subject to the authority of all faculty and staff members during the school day and while attending any school function. The regular school day includes the time traveling to and from a student's residence. Students who are insubordinate, disrespectful, or violate generally accepted rules of good citizenship and behavior will be subject to disciplinary action. Severe violations of the law which occur off school premises may result in the suspension of a student or other disciplinary action if continued attendance in school is likely to be detrimental to the welfare of other students or staff.

POLICE INVOLVEMENT

School officials are not required to initiate or complete due process procedures prior to notifying police authorities. If police authorities are notified, parents will be contacted by phone or certified letter. Any action taken by police authorities will be in addition to action taken by the school.

Students who do not serve their hours by the completion date will be assigned In-School Suspension..

The discipline policy defines school rules that apply to any student who is on school property, is in attendance at school, or is in attendance at a school-sponsored activity. IN SCHOOL SUSPENSION

The in-school suspension program will be conducted Monday through Friday from 7:00am-2:00pm (early release days from 7:00am-12:25pm) with the following components: academics, counseling and service. If a student fails to fulfill the terms of the in-school suspension assignment, the out of school suspension designated in the Student handbook will be implemented, with no classroom credit given for the duration of the out of school suspension. Assignment to the in-school suspension program does not alter the sequence of disciplinary procedures. For example, if a student enters the in-school suspension program for ditching a second time and he/she ditches again, the disciplinary action will be considered as the third time. In-school suspension does not eliminate any previous disciplinary actions which have not been satisfied, i.e. detentions incurred prior to the beginning of the in-school suspension. Students should make arrangements to arrive at the ISS program site (Lake Havasu High School) between 6:40 and 6:55 am. *Students who are not in the ISS room by 7:00 am will have an extra day of ISS added.* Upon arrival, students are to report directly to the In School Suspension room, Students are not to interfere or interact with the high school students on

campus and must depart by 2:15 pm after dismissal. Students not picked up by 2:15pm will be escorted off campus. Failure to comply with this request is considered trespassing.

STUDENT COURT

Students who feel they have been treated unfairly may appeal to the Student Court through Student Government. The Student Court's decision is an opportunity for the student's case to be reviewed objectively by his or her peers, but may be overruled by administration. It is Student Court's decision that certain infractions may not be appealed. Examples are cell phones, any First Class Offense, stealing, scholastic dishonesty, or any offense for which a student could be arrested.

GUIDELINES: A report form, obtained from Student Government, must be filled out completely and returned to the Student Court. This form must include a full written testimony of the events that led up to the incident. The form and included testimonial must be given to Student Court within 24 hours of the initial charge. If the form and testimonial are adequate and punctual, Student Court will review the case during Student Government class.

STEP PROCESS

The Step Process is used with students who show repeatedly by their attitude/work habits that they do not wish to be in a particular class.

STEP ONE - DISCIPLINARY WARNING: The teacher will handle disciplinary situations according to school rules and their own classroom policies. The student is notified of the seriousness of the last infraction, and the teacher will notify the parent/guardian that if there is another incident that the student will be placed on Step Two.

STEP TWO: If the behavior continues, the student will be placed on Step Two, and the student will be sent to his/her counselor for guidance but will be given no discipline consequence. Parents will receive a copy of the Step Form.

STEP THREE: If the problem continues, the student will be sent to the Assistant Principal. The student will be removed from the classroom for five (5) days and placed in study hall and will receive 5-10 hours of detention. A conference involving the counselor, parents/guardians, student and Assistant Principal is required prior to the student returning to class.

STEP FOUR: If the behavior is repeated, the student is removed from the class by Administration and placed in study hall for the remainder of the semester with no credit received. A W/F (withdraw/fail) will be recorded for the class.

EXCEPTIONS TO THE STEP PROCEDURE: Severe cases of discipline are sent directly to the Assistant Principal, who may move student to a higher step, including bypassing the warning and moving student directly to Step Four.
