AIMS & SAT 10...

AIMS and SAT 10 testing will take place the week of APRIL 11th.

All students enrolled in grades 2-6 are required to take these very important tests. Please make every effort to have your child at school during this week. It is extremely important that they are here on time as some of these tests will begin promptly at 8:00. Also, your child needs to eat a healthy breakfast to insure that they test at the best of their ability. Breakfast will be served as usual from 7:25 to 7:45.

Yearbooks....

Yearbooks for the 2010-2011 school year are now on sale in the office. The cost is \$15.00 per book. Yearbooks will be handed out to the children that bought them on or about May 13. If your child was not here for picture day either last August or October, his/her photo may not be included in the class photos. The number of books is limited so if you want one for your child, please come to the office to pre-order.
