PRESS RELEASE

We have had an overwhelming response this week from 7th and 8th grade parents requesting busing for their students to Thunderbolt Middle School.

As a district we run 6 route buses which each hold between 54-84 students depending on the size of the student. We have had over 600 requests for 7th and 8th grade transportation which puts our buses over capacity. This creates a safety issue.

Due to this fact, the decision has been made to focus our transportation efforts on our 7th and 8th grade students. **We will not be offering bussing for our 9th grade students at this time.**

We apologize for any hardship this may place on our 9th grade parents who were considering bussing this year.
