

## Elementary Registration

**Smoketree Elementary** will register students Monday-Friday from 8 a.m. until 3 p.m.

**Oro Grande Elementary** will register students from 7:30-11:30 in the morning and 1-2:30 in the afternoon. They need original birth certificates and immunization records.

**Jamaica Elementary** registration hours are 8:00 am – 2:00 pm (Mon-Friday).

It looks like the elementary schools will register your student during normal office hours. There are some mandatory meetings for employees coming up during the week of 7/26-7/30, and offices might be closed temporarily. It is a good idea to call the school if you have any questions.
