Principal's Corner

Dear Parents,

Regular attendance is vital for academic success- student achievement improves with good attendance. Students must attend school regularly and be on time to classes in order to maximize instructional benefits.

Additionally, regular school attendance and punctuality develop self discipline and responsibility. Not only is school attendance compulsory, but it should also be encouraged and expected. Never before has a student's education been as singly important as it is today.

If you have any questions or comments, please feel free to contact me.

Sincerely,
Mrs. Hogard
